The FRONT Page

BATTLE GRINDS ON

While the battle on every front ground on in increasingly tight and bloody fighting from Stalingrad to Tunisia to Buna, the break suddenly appeared in Libya over last week-end, where the British Eighth Army, slowly advancing on Rommel's heels, but consolidating its position and strung-out supply lines, suddenly cracked the Axis positions at El Agheila, forcing the Africa Corps to retreat further westward.

From the opposite direction, in Tunisia, General Anderson's British-American 1st Army dug in for a "bloody, bitter" struggle, as strongly reinforced Axis forces held tightly to the defense fortifications of the Bizerte-Tunis approaches. Local attacks, by bombing plane and armoured column carried through or were pushed back, and the steady flow of men and material, on the one side from Italy, on the other from occupied Morocco, gave promise of a growing battle.

No less bloody and bitter, Russian and Nazi forces ground against each other, as Nazi troops held back the threatening Red offensive along the thousand mile front. Strong counter-attacks were launched to relieve desperate German positions in the central Rzhev front, and in the Stalingrad area. Here, Red encirclement tactics had imperilled 300,000 Axis troops, holding grimly to the pivotal Don elbow, and threatening the entire German position in Southern Russia.

Buna Village Taken

"In this incredibly tangled mass of rank vegetation and evil smelling swamps, thousands of men, Americans, Australians and Japanese, are engaged in one of the most merciless and most primeval battles of the war."

Such is the position in New Guinea, where campaign-weary Australian veterans and fresher American infantrymen were reported to have occupied Buna village. No mention was made in the communique of the Buna mission, still presumed held by the "resisting-to-the-end" Japanese.

Allied headquarters said, however, that a new attempt to land reinforcements was viciously attacked, and failed in its major objective.

The A.P. reported that in broadcasts Premier General Hideki Tojo avoided reference to current military developments, in declaring that Japan had established a strategic position which would enable her to win the Pacific War, however lengthy.

He made no reference to the withdrawal of the Japanese military mission from Berlin, in declaring that Axis relations were free of friction.

Latham New Kaslo Mayor

KASLO, B. C.—E. H. Latham, well-known hotel proprietor, was elected Mayor of Kaslo Thursday, edging out his opponent, Gordon Bowker, postmaster, by a very narrow margin.

George W. Tinkess was re-elected alderman, and Mrs. Margaret Whittaker will also take her place on the City Council. Angus McGillivray won a two-year term as school trustee. Previously, Fred Ayden gained a one-year term on the school board by acclamation.

School Program Progresses In TownsSince Policy Laid Down

Various stages of progress in the educational program for the interior housing project are reported from the different centres, but now that the school policy has been defined, those in charge are pushing ahead as rapidly as possible in organizing the school system.

Formosan Woman Doctor Serves at Lemon Creek

LEMON CREEK. — Assisting here in medical work now is one of the most interesting personalities Japanese evacuation has yet brought to light. She is Dr. A. S. Tani, who has been giving medical service in daily consultations, and who may be stationed here for some time. Of Formosan birth, her husband is Chinese, and she is the mother of two children, but she has no idea of where her family now is.

Studying at Harvard and Toronto, prior to the outbreak of the war, she has ened to Vancouver as the storm clouds gathered, hoping to catch the last boat to Japan . . . but missed it. Her father is prominent in medicle circles in Japan.

Chinese Seek B. C. Vote

VICTORIA.—Chinese of Victoria, through John Bong and Robert Lowe, president and secretary respectively of the Victoria Chinese Youth Association, last week asked the co-operation of Premier Hart and the cabinet for a better deal, including the vote, for B.C.'s Chinese.

"The Premier was very nice to us and promised to do what he could," said Mr. Lowe after the conference in the Premier's office. "He said he would take up the matter with his cabinet and would communicate with Prime Minister Mackenzie King."

In Kaslo, which to date has led the way as far as education is concerned, a Parent-Teacher Association is being formed to promote co-operation between the parents and the Nisei teachers.

Sandon reports that the elementary and high school classes have now been functioning since the end of November, and the newly-appointed teachers are rapidly grasping the basic fundamentals of their responsible jobs. Terrie Sugiura is the Nisei director.

NEW SCHOOL STRUCTURES

In the Slocan project a start has now been made on the new school buildings at Lemon Creek and Bay Farm, while remodelling of a former bunkhouse at Popoff will provide school accommodation in this unit. Rev. Takashi Tsuji, Yoshiko Tanabe and Irene Uchida have been named as Nisei school directors.

Blue prints for the new school structures indicate that they will each comprise twenty school rooms, and two administration offices, and will be two storeys high. The school rooms will have removable partitions, thus making small halls available for community use. The structures themselves will be horseshoe shaped, the school rooms comprising the two wings.

In Tashme registration of pupils indicate that there will be 629 pupils crowded into the school, which will be held in one of the large remodelled barns. Some thirty teachers will instruct classes here. Hiroshi Okuda and Teruko Hidaka are directors.

May Move Families Of Internees East

Persons of Japanese race detained in Ontario internment camps are being given the opportunity to obtain their release if the authorities are satisfied they are not likely to be a "danger to the safety of the State," provided that "they are willing to accept employment secured for them in Eastern Canada or the Prairie Provinces," the Department of Justice has informed "The New Canadian."

In the case of married men, the department said, the question of bringing their families from the interior settlements of British Columbia is under consideration.

A short time ago a small number of men were released and allowed to return to their families in Kaslo and Greenwood, because of the special circumstances which attended their internment.

REPATRIATES WILL LOSE STATUS AS BRITISH CITIZENS

OTTAWA.—(CP)—Canadian nationals or persons who are British subjects through Canadian birth, naturalization in Canada or marriage to a Canadian, who may be repatriated to an enemy country will lose their status as British subjects by an order-in-council made public Dec. 10.

The order, passed last November 26, was prompted by the arrangements made to repatriate Japanese in Canada in exchange for Canadian nationals and other persons from Japan and Japanese occupied countries to Canada.

It states that similar arrangements may be made with governments of other enemy countries and declares that "it is undesirable that any persons so repatriated to enemy territory in time of war should be allowed to retain their status as British subjects or as Canadian nationals."

(Since the first and last exchange, no word has been received as to if or when the policy will be continued. A number of applications for repatriation are now on file, however, among which, it is known, are included some from Canadian nationals).

Hope Elects New Council

Youth Group Seek Common Hall

TASHME.—A new Japanese Committee, which will assume a responsible place in administration of civic affairs in this community of 2600 people, was elected by popular ballot December 7, replacing the original "construction committee" which has been functioning for the past several months. The fifty members elected will meet shortly to choose a working executive. (For members of the committee please see the account in Japanese).

* * *

Some 15 single men have been transferred to 11-mile camp at Hope, including both first and second generation. At the same time it is said that leaves may be granted to those in the near-by camps, permitting them to come by truck to visit their families during the holiday season.

Many items of importance were discussed when the construction committee held its final meeting.

Ceremony At Sandon School Opening

Volunteers Teach High School; Committee Changes

SANDON. — A successful beginning has been made here in the educational program for interior towns. Elementary classes began the first of the month, with a staff of eight Nisei teachers, led by Terrie Sugiura, local school director.

High school students have been following the standard correspondence courses offered by the department at Victoria, under the coaching of a number of young people who are giving their services on a volunteer basis.

* * *

Ceremony marked the opening of the elementary school on December 1, with parents taking a keen interest in the solution to a problem which has caused them much concern. Speeches were heard from M. Ohashi, president of the Japanese Committee, K. Usui, education department head, and Miss Sugiura.

The children joined in the singing of the National Anthem and "O Canada" and were then divided into the various classes, for placement in the school rooms which have been made available by the Commission.

Classes began the next day under the following teachers: Tatsue Nakatsuka, Fumiko Nakatsuka, Toshie Takata, Ayako Ono, Michiko Anpi, Kanae Miyake, Emiko Sugiura and Haruko Ito.

Although some of the teachers have but recently graduated from High School themselves, they are tackling the job briskly, and learning more of the ropes each day.

Permission to use the local hall for physical training periods, and the piano in the Bukkyo hall for music, adds greatly to the scope of activities for the school children.

Although no provision has been made by the authorities for high school education, the work has been organized here by having young people volunteer to take classes at night school, using correspondence courses as a guide.

The teachers, most of whom are employed here, take classes in half-hour periods each evening.

Assisting with this work are Hideo Shigei, Eiko Hemmi, Eileen Shintani, Goji Suzuki, Yaeko Hemmi, Dr. H. Kuwabara, Tomoichi Yamamoto, Masaru Nakatsuka, Frank Yoshy and Jim Kagawa.

The kindergarten, which till now has been carried on by the Buddhist Church, is being continued under the auspices of the education department of the Japanese Committee. Haruko Kondo and Sumako Nishikawa are serving as teachers for the very small children.

SANDON, B. C.—Winter has arrived in Sandon, but the common opinion seems to be that the cold is not felt so much, even though the temperature drops. This may be due to the fact that we are sheltered from cold winds, as well as to the good heating facilities available here.

Sickness and ill-health is very low, there being only a dozen people or so confined to the hospital. This, despite the comparatively large number of elderly people here.

An explanation of official policy on maintenance was also heard. Commission employees, who work for wages are not able to qualify for maintenance when they become unemployed, until such time as their wages spent at maintenance rates are wholly expended.

The young people are hoping to enjoy skating which will be made possible by flooding a hollow in the fields and letting winter weather do the rest.

Word of Thanks

The patients and staff of the Hastings Park Hospital wish to extend a note of appreciation to Mr. J. Kumagaya, who left us recently for New Denver. His interest as an orderly far exceeds the boundaries of his responsibilities, and we hope that he will join us when we take up our new quarters in New Denver.

Marriage in Montreal

MONTREAL, P.Q. — The marriage will take place here on Tuesday, December 22nd, of Katherine Setsu, eldest daughter of Mr. and Mrs. Torajyu Shimokakahara, formerly of Vancouver and now of Montreal, to Mr. Hajime Suzuki, elder son of Mrs. Koto Suzuki, Slocan City, B. C.

Following their marriage, the young couple will return to Slocan City, where Mr. Suzuki is the resident optometrist. The bride is a graduate of the University of British Columbia, while the groom studied for his optometric degree in Los Angeles.

GRIFFIN LAKE, B. C. — Although to us folk born and raised in the mild climate of the Pacific coast winter weather with snow and sub-freezing weather has arrived, the local people here tell us that "We haven't started into winter yet."

Whatever it is we have, however, it froze all the water-pipes, except the line to the cook-house, and the only bath left to us is the good old gallon-furo.

Skating and skiing occupy the free time of the boys in camp in this section now.

Occasionally some of the boys go to Revelstoke to play basketball against the high school team there. Solsqua and Taft have each won a game to scores of 38-25, and 23-21 respectively. Griffin Lake camp played on December 11.

Winter sports, however, are not without casualties, two men being laid off due to injuries.

Rev. W. R. McWilliams has again paid a visit to the camps in this section with his words of encouragement to the young men who find the close quarters of the camp more than confining at this time of the year. A second petition in regard to "Christmas Leaves" is being sent to the Security Commission.

PARENT-TEACHER GROUP FORMED

KASLO. — A second meeting of teachers and parents of school children will be held here tonight to adopt a constitution and elect an executive of the Parent-Teacher Association formed here last Saturday night.

With a good attendance of those interested, the explanation for the last meeting and a resume of past progress in educational work accomplished by the education committee was presented.

Now that Commission policy in respect to school has been settled, the report indicated, the work of co-operating in education had expanded beyond the original committee, and the obvious need was to organize an association of parents and teachers to assist in the school work.

A special committee was elected to draft a proposed constitution.

* * *

The report of the educational committee showed that temporary schools had been operating since early in September for grade school children, while 45 older boys and girls had been admitted to the local high school. The surplus of secondary school students were being accommodated in night school classes, which also made it possible for young people employed by day to study at night. This special school has been operating since early in October, the teaching being done by volunteers.

移動の第一局面は終了
日系人再定住に主力集中
セキユリテーコミションに代はる 總監督をオタワ政府が新たに任命

（オタワ發）三名からなるビーシーセキユリテーコミションに取つて代り、太平洋沿岸から移動した日本人を再定住させる仕事をする總監督が任命されたとオタワ政府〔は〕直に新任務に就き、本部を置く晩香坡に向けて出發した。移動日本人をカナダ全土に亘り出來るだけ生産的な仕事につけるといふ政府の方針は今や大いに進展しつゝあるのだとミッチエル勞働相は語つてゐるが、日本人を再定住させる方策は今や詳細にわたる具体化を必要とする段階に到達して來たので、コリンス氏が新に任命されたことは、オタワ政府の勞働次官であり且つ人力動員部の首腦として日本人關係の仕事をもしてゐるマクナマラ氏の責務を輕減する事が出來るだらうと見られてゐる。

◇

而してセキユリテーコミションが過去十ヶ月間にこしらへ上げて來た機構は從前通り繼續されて行く事と見られてゐるが、在來と異る主な點は移動日本人を再定住させるといふ問題に重點が置かれるといふ事であり、今や移動の第一局面は終つたので、此の再定住の方策は在來と異り一層慎重に且つ氣長に行はれるであらう。又ミッチエル勞働相の發表は、三名からなるセキユリテーコミションは彼等の任務終了と共に彼等の他の任務に復歸したいと希望してゐると述べてゐるが、コミションのうちテーラー委員長は戰時商業會社の副社長であり、ミード氏はマウンテッドポリスの副總監で、シラス氏は州警察の副總監である。何れもセキユリテーコミションの方の細々した仕事からは既に事實上手を引いてゐるのである。

そして勞働相は彼等のやつて來た仕事と共にマクナマラ勞働次官の努力に感謝の意を表明してゐるのである。

インテリアタウンの
日系學童教育施設すゝむ
各地で學校新築や建物改造に着手

インテリアタウンに於ける日系兒童の教育方針が具体化されたので、學童の教育に關する施設がドンドン建設され、關係者は出來るだけ早急に教育を開始する努力を續けてゐる。すなはちタズローでは數年に亘る調べでは他にさきがけしてやつて來たものであるが父兄と二世教師の努力を調整するため最近の教師を再編成しつゝあり、サンドンでは十一月末から開校、及びハイスクールの學級が開始され、高等學校の杉浦辰枝嬢以下二世の教師等が彼等の新しい仕事に對し急速に慣れつゝあると報告されてゐる。

スローカン地方では學校新築に着手されて居り、ポフィンでは以前にはパーンを改造して充てる事になつて居り、教師は三十余名に及ぶ〔illegible〕のバンクハウスが學校に改造されつゝあるが、スローカンの各學校長には辻岡敦健、田邊ヨシ子、內田アイリンの諸氏が任命された。而して新しい校舍の設計圖によると、各二十の教室と二つの職員室があり二階建てとなつて居り、教室の仕切りは取りはずし自由なものにして式典や集會場にも使用できるやうにし、建物は馬蹄型にし、教室は兩翼に分けるといふ事になつてゐる。一方タシメでは學童の登録を行つた結果六百二十九名もある事が判明したのであるが校舍の座る筈で奥田弘、日高照子兩氏が校長である。

東部か平原州で働くなら
インターンされてる者を出所さす

オンタリオ州のインターンメントキャンプに入つてゐる日系人にして、當局が「國家の安全にとつて危險でない」と認め本人も東部カナダ又は平原州で得られる仕事を喜んで受諾する場合は出所する機會を與へられてゐるとオタワ政府の司法省からニューカナデアンに知らして來た。而して既婚者の場合はビーシー州のインテリアタウンから其の家族を呼ぶ事についても考慮が拂はれてゐると司法省では述べて居る。なほ最近インターンメントキャンプから少數の人々がカズローやグリーンウッドの家族の許へ歸る事を許されたのは彼等が特別な事情によつてインターンされたからであつた。

アルバータ州で
日本人に禁酒

アルバータ州內の全日本人に對して來年早々からビヤパーラーや酒類販賣店に入る事を禁止するやうになる旨レスブリッヂ通信は報じてゐると先週のカナデアンプレスは傳へてゐる。アルバータ州の酒類管理局長キングがレスブリッヂのエルトン市長に此の情報を與へたといふのであるが、レスブリッヂ地方だけでも三千人以上の日本人に影響するわけである。右の問題は今年夏の頃から持ち上つてゐたといふことでレスブリッヂでは二世の家庭働きやキャンニング工場の忙しい時に二世を臨時に雇ふことに對してさへ強力反對の聲があげられたほどであつた。

日加人交換で歸へる者は
英國臣民の資格を失ふ旨發令さる
多數の申込者を歸すか否かは不明

（オタワ發）カナダ人若しくはカナダ生れ又は歸化乃至カナダ人との結婚によつて英國臣民となつた者にして、敵國に歸つて行く者は英國臣民としての資格を喪失する事になるといふ閣令が出された旨十二月十日に公表された。此の閣令は去る十一月廿六日に發せられたもので、それはカナダ人其の他にして日本及び日本の占領してゐる諸國にゐる者をカナダに歸らせるため日加人を交換して日本人を日本に歸らせる取りきめをした事から喚起された事であるが、他の敵國とも同樣な取りきめが行はれるだらうと言はれて居り「戰時中に敵國に歸還した者に英國臣民若しくはカナダ國民としての資格を保持させて置く事は好ましからざる事である」と言明されてゐる。（右の如く交換は第一回目のが行はれたきりで、其の後これが續けられるものや否や消息がないのであるが、日本に歸る申し込みは相當數にのぼつて居り、其中にはカナダ國民も加はつてゐる事が報ぜられてゐるのである）

支那人青年
選擧權を要求

（ヴイクトリア發）ヴイクトリアの支那人青年會は會長のジョン・ポングを幹事のロバート・ロークを通して先週州政府のハート首相及び閣員に對しビーシー州內の支那人に對する選擧權賦與その他もつと取扱ひをよくする事に關して協力を願ひたいと申し出た。首相の室でハート首相等と會見した右の代表者は次の如く語つてゐる「首相は吾々に快く面接してくれ、出來るだけの事はする旨約束し、問題を閣議にかけた上オタワ政府のキング首相に手紙を出すと言つてゐる。」

シー州內の移動者はセキユリテーコミションの認可によつて本年四月以來戰時一切の所有や使用を禁止されてゐるのである。
